No.3741/D1/48 dated 16th June, 51. 68500

Sir,

Sub: Industries- Sericulture- Organisation of Canteen and Creche at the Government silk Filatures, Kollegal- Improvement to the lunch shed- additional Expenditure- Sanction of- Proposals.

Ref: G.O.Ms. No.1733 Development dated 7th April, 48.

In the G.O. cited Government sanctioned an expenditure of Rs. 3,900/- for carrying out certain improvements to the existing lunch shed at the Government silk Filatures, Kollegal with a view to provide for a Canteen and a creche required as per the Factories Act. Before taking up the work on hand the Chief Inspector of factories Madras was consulted whether the proposed improvements to the existing lunch shed would be in confirmity with the provisions of the Factories Act. He suggested certain further alterations and as a result the estimate revised to Rs. 5,900/-. Meanwhile the buildings of the Government Silk Filatures, Kollegal were ordered to be transferred to the registers of the Public Works Department vide G.O.Ms. No.1999 Development dated 11th April, 1949 and the estimates for Rs. 5,900/- were accordingly forwarded to the Chief Engineer, Public Works Department who has now revised them again for Rs. 7,900/- taking into account present day costs and asked me to obtain revised sanction of Government. I enclose herewith the plan and the estimates received from the Executive Engineer, Salem Division for reference and return.

2. As the provision of a canteen and Creche is compulsory under the provisions of the Factories Act and as the Chief Inspector of Factories has recently remarked that the existing Canteen at the Government Silk Filatures, Kollegal, is not as per the plans approved by him and that the present arrangements are not upto the standard vide Government Memorandum No.129021-D2/53 Development dated 5-4-1951, I request that Government may be pleased to sanction an expenditure of Rs. 7,900/- in partial modifications of the orders contained in G.O.No.1733 Development Department dated 7th April, 1948.

No.3741--D1/48 dated 19th July, 51.

Sir,

Subject: Industries- Sericulture - Organisation of Canteen and Creche at the Government Silk Filatures- Kollegal- Improvement to the lunch shed- Additional Expenditure.

Reference: Government Memorandum No.68500-M1/51-1 Development dated 30th June, 51.

I invite reference to this Office letter No.7402-D1/46 dated 24th September, 1947 with reference to which orders were issued in G.O.No.1733 Development Department dated 7-4-1948; It may be seen that no amount has been provided towards capital expenditure on buildings for establishing a creche at the Government Silk Filatures, Kollegal. The improvements to the lunch shed proposed are only intended for accommodating the Canteen. Hence no provision is made for creche in the estimates submitted to Government with this Office letter No.3741-D-1/48 dated 16th June, 1951. I submit therefore that the plan and estimates, which are herewith resubmitted, are in order.
